

2011 Meadia Heights Junior Golf Program

Welcome to the 2011 Junior Golf Season. We have an exciting new schedule this year for our juniors. The Junior Program will also have a fun, professional golf staff instructing the juniors this year. Returning to the staff will be Head Golf Professional Mark Wiley, and 2 new assistant golf professionals, Matt Heinaman and Shawn Zimmerman.

Purpose for the Junior Golf Program: The purpose of the Junior Golf Program is to create a positive environment where juniors will learn and improve their golf skills. The goal of the professional staff is to help each junior understand the game of golf and teach them the courtesies of a game that will last them a lifetime.

FAQ:

What group should my child be in?

Experience, and enthusiasm can be judged best by the parents to determine which group your child should be in. At any time during the program a child may move up or down to any group. If need be, the Professional staff will evaluate and make changes as they happen. If you have any questions about the placement of your child, please call the shop at **392.6030** with any questions you may have.

Rain?

Heavy Rain, Thunder, and Lightning will cause the day to be cancelled. Please call ahead if you have any questions.

When do we sign up for Friday Play days?

Players must sign up for Friday play before Wednesdays at 4pm.
